

UNITED WAY OF THE MID-SOUTH

DRIVING THE DREAM

AGENCIES

Current as of 7-31-23

***Driving The Dream (DTD)** is aligning resources in a manner that unites local agencies in a “no wrong door,” collaborative effort to help Memphis’ and the Mid-South’s most economically challenged individuals advance toward economic self-sufficiency and other life goals they identify. These DTD partner agencies and their programs improve education, financial stability, and health-boosting our local economy by reducing poverty, one person at a time.*
