## AGENCIES

Current as of May 17, 2024

***Driving The Dream™ (DTD™)*** is aligning resources to connect local agencies in a “one door,” collaborative network to help Shelby County’s most economically challenged individuals advance toward financial self-sufficiency and other life goals they identify. These DTD™ partner agencies and their programs improve housing, education, financial stability, and health, to help people move from where they are, to where they dream to be.
